**THE WESTWOOD VILLAGE WELCOMES THE NIMOY**

UCLA's Center for the Art of Performance opened a new venue for performing arts in Los Angeles in September 2023.

The UCLA Nimoy Theater is a reimagining of Westwood's historic Crest Theatre as a flexible, state-of-the-art performance space. The Nimoy is designed to immerse audiences in a profoundly engaging experience in a variety of voices and creative expressions in music, dance, theater, literary arts, and collaborative disciplines.
